The Premier International Textiles Sourcing Show of South Asia

Step into the future of textile sourcing.

We are delighted to invite you and your sourcing, design, merchandising, and product development teams to attend Intex Bangladesh 2025 — South Asia's leading international textile sourcing event. Join us for the 16th edition of this dynamic trade platform, taking place from 25–27 June 2025 at the International Convention City Bashundhara (ICCB), Dhaka.

Intex Bangladesh has evolved into one of South Asia's most influential platforms, enabling industry professionals to engage with a curated spectrum of global textile manufacturers, material innovators, and solution providers.

As Bangladesh's textile and apparel sector moves steadily toward its projected \$56 billion mark by 2026, the role of strategic collaboration and material excellence has never been more vital. In 2024 alone, the industry achieved \$38.48 billion in exports — a 7.23% rise — with new markets contributing significantly to this momentum.

And at Intex, we bring the entire supply chain to your fingertips.

Let's build the next chapter of global textile sourcing — together.
